

# Hospital-to-Home (H2H)

As you discharge from the hospital, the SGH nurses and doctors from the Hospital-to-Home programme aim to support your recovery at home, working together with you to ease the transition from hospital to home.

## Video Consultation (VC)

Video Consultation is now available in H2H to allow the care team to bring care to you more conveniently.

Via a video conferencing platform, our H2H doctors and nurses will be able to see you, assess and provide advice to manage your condition, in the comfort of your own home.

*If you are interested in VC, kindly speak to one of our H2H nurses or patient navigators, they will provide you with more information.*

For further enquiries, feel free to contact us @

**6326 6100**

Operating hours:

**Mon to Fri, 8:00am – 5:00pm**

**Sat, 8:00am – 12:00pm**

*All personal data (e.g. NRIC, test results) shared during the session will only be used for clinical purposes and will be kept private and confidential by the Hospital.*
