

We Stand Strong

As we train, we grow and learn
We teach future generations
Each will take their turn
We shape the future of health
And together we carry on
Facing each challenge, calm and strong
We've stood for years and still stand strong
Nurtured many old and young
O SGH, teach us what you know
This is where we learn, we care, we grow

We've stood for years, a source of hope
With each day and progress, shone
O SGH, beacon in the storm
This is where we care and carry on

With willingness always seeking to improve
With our patients at the heart of all we do
Each day is better than the day before
We work together
Give of our best
Yesterday, today and forever more
We've stood for years and still stand strong
Nurtured many old and young
O SGH, teach us what you know
This is where we learn, we care, we grow
We've stood for years, a source of hope
With each day and progress, shone
O SGH, beacon in the storm
This is where we care and carry on
