

Continuing Professional Development Lecture: Understanding Mental Illnesses Series – Going Beyond the Surface Part 6 - What is Personality Disorder (Part 2 of 3)? Cluster B 19 January 2022

Synopsis

In this second part on Personality Disorder, we will cover the four personality disorders that makes up Cluster B.

At the end of this talk, participants will be able to:

- Learn the signs and symptoms of the four different subtypes
- Understand how these personality disorders can impact on their relationships and lives

Speaker

Dr Evelyn Boon PhD
Senior Principal Psychologist
Head, Psychology
Singapore General Hospital

Evelyn has worked in the mental health field since 1995 and is currently Head of Psychology at SGH. She started her career in the field of addictions and now specialises in body image, eating disorders, diabetes and trauma. She is trained in various therapeutic approaches, including hypnotherapy and Eye Movement Desensitisation and Reprocessing. She is passionate in advocating for mental health and well-being as well as creating more understanding of mental illnesses.
