

Developing Leadership Capabilities & Effectiveness

22 & 29 August 2023

Introduction

To get to the top, we have to learn from the top leaders. How do our leaders really think and operate?

In this 20th course intake, our passionate champion of talent development, Dr Ang Hui Gek will continue to share valuable leadership insights gained over the years in leading healthcare professionals to deliver value to patient care.

This course will set you thinking and redefining your leadership style and future interactions as you evaluate your leadership effectiveness. With action learning after each session, this course aims to help you achieve greater leadership effectiveness by enhancing your capabilities in managing relationships, and instilling the importance of leaving a legacy. This course comprises leadership essentials to lead purposefully and with impact; namely to develop self-leadership and character, communicate to influence, build trust, develop others and build leadership capacity.

Course Objectives

This course aims to help participants to:

- Understand principles and insights into leadership
- Apply knowledge and skills learnt
- Develop into not merely good, but an extraordinary and effective leader

Teaching Faculty

Dr Ang Hui Gek
Director
Allied Health Division
Singapore General Hospital

Dr Ang Hui Gek is the Director of Allied Health Division at the Singapore General Hospital (SGH). She was former Chief Pharmacist of the Ministry of Health (MOH), Singapore and currently serves as a Council Member of the Singapore Pharmacy Council (SPC).

After attaining her BSc (Pharm) in Singapore, Dr Ang went on to receive her Postgraduate Diploma in Clinical Pharmacy from Australia, followed by a distinction in Master of Business Administration from the UK. In 2017, she achieved her doctoral degree in Business Administration (DBA) from University of Liverpool, UK. She is also an alumnus of Kellogg School of Management, USA.

Dr Ang's current administrative and leadership role in the hospital includes the oversight of professional groups such as the pharmacists, physiotherapists, occupational therapists, speech therapists, podiatrists, dieticians, psychologists, medical social workers, radiographers, music therapists and art therapists.

In the area of education, Dr Ang teaches leadership courses and conducts mentorship workshops. She is also Program Director and Instructor of the SPC-endorsed Pharmacy Preceptor Training course. She presently sits on the Advisory Board of SGH-Postgraduate Allied Health Institute. Dr Ang is strongly committed towards developing talents and future leaders. She has mentored many pharmacists and allied health professionals and continues to do so.
