

**NEURORADIOLOGY FELLOWSHIP ATTACHMENT  
PROGRAMME IN SGH**

Components	Information
<b>1. Division/ Department</b>	Radiological Sciences/ Department of Diagnostic Radiology
<b>2. Title of Programme</b>	Fellowship Training in Neuroradiology
<b>3. Relevant Registrations</b>	<ul style="list-style-type: none"> <li>• Temporary Registration with Singapore Medical Council (SMC)</li> <li>• Training employment pass application with Ministry of Manpower, Singapore (MOM) (upon successful Temporary Registration with Singapore Medical Council)</li> </ul>
<b>4. Overview</b>	To provide training for Clinical Fellows in basic and advanced Neuroimaging techniques and reporting skills utilising CT, MR, and ultrasound modalities. Clinical Fellows will receive hands on training and will have opportunities to participate in supervised reporting of both Basic and Advanced Neuroimaging studies including MR Spectroscopy, Perfusion and Angiography.
4.1 Background information	
4.2 Goal/ aim(s)	By the end of the programme the Clinical Fellow should be able to confidently supervise and report on a wide spectrum of Neuroradiology studies and conduct multi-disciplinary clinic-radiology rounds.
4.3 Duration	6 – 12 months
4.4 Hyperlinks/URL Sites	<a href="https://www.sgh.com.sg/clinical-departments-centers/diagnostic%20radiology/fellowship/pages/neuroradiology.aspx">https://www.sgh.com.sg/clinical-departments-centers/diagnostic%20radiology/fellowship/pages/neuroradiology.aspx</a>
<b>5. Target Audience</b>	Local (Home country) Board qualified radiologist or radiologists holding recognised post graduate degrees in Diagnostic Radiology e.g. FRCR, American Boards.
5.1 Pre-requisite /eligibility requirement(s)	<p>General requirements for Temporary Registration for training (required by SMC):</p> <ul style="list-style-type: none"> <li>• A basic medical degree from an accredited medical university or medical school</li> <li>• Passed the relevant national licensing examination in the country of conferment of basic degree, where applicable</li> <li>• Evidence of at least 12 months houseman-ship / internship with a certificate of satisfactory completion of houseman-ship or equivalent</li> <li>• Been registered as a medical practitioner in the country where he is currently practising</li> <li>• Been certified to be of good standing by the Medical Council or the relevant national authority</li> </ul> <p>Note: the doctor should be in active clinical practice for the 3 years preceding the application for medical registration.</p> <p>In addition to the above criteria, <b>Clinical Fellow</b> must:</p> <ol style="list-style-type: none"> <li>a) Have a minimum of 3 years of relevant working experience as a medical officer (or equivalent)</li> <li>b) Fulfil English Language requirements of SMC if the medium of instruction for the basic medical qualification is not in English</li> <li>c) Preferably have obtained a postgraduate diploma or degree in his country or overseas</li> </ol>

**NEURORADIOLOGY FELLOWSHIP ATTACHMENT  
PROGRAMME IN SGH**

Components	Information
	<p>d) As a Clinical Fellow, the doctor will be allowed to be involved in patient care and make entries in patients' case note, communicate care plans to patients and fellow healthcare professionals, and perform procedures under <u>direct</u> supervision or Level 1 supervision</p> <p><b>Department's requirement, if any (only for Clinical Fellow in this subspecialty):</b></p> <ul style="list-style-type: none"> <li>• Skillset required on arrival is pegged at the level of a Senior Resident</li> <li>• Accepted postgraduate medical qualifications include FRCR, FRANZCR, American Board of Radiology (ABR)</li> <li>• At least 1 year clinical (working) experience after attainment of accepted postgraduate qualification above</li> </ul>
<p><b>6. Learning Objectives</b></p>	<p>This fellowship would allow the Clinical Fellow to acquire:</p> <ul style="list-style-type: none"> <li>• Receive experience in all cross-sectional studies of the brain, spine and head/neck (CT, MRI, Ultrasound).</li> <li>• Receive training in vascular scanning (MRA, MRV, CTA), advanced functional MRI (Diffusion, Perfusion and Spectroscopy).</li> <li>• Have opportunity to observe neurovascular angiography and neurovascular and head and neck interventions.</li> </ul>
<p><b>7. Course/Training Syllabus</b></p>	<ol style="list-style-type: none"> <li>1. The main thrust of the fellowship is to achieve competency and also gain experience in the conduct and reporting of Neuro-diagnostic and Head and Neck Radiology studies. While there will be opportunities to observe Neuroangiography and Neurointerventional cases, this fellowship is not focused on providing training in these aspects of Neuroradiology and any training opportunity will be dependent on Clinical Fellows' prior experience and ability. The difference between a 6-month programme and 12-month programme is to aim at an advanced level of skills with the 12-month programme with more experience in the <b>Advanced Neuroimaging studies including MR Spectroscopy, Perfusion and Angiography.</b></li> <li>2. Clinical Responsibilities: As part of the fellowship, Clinical Fellows are required to take part in the day to day roster of the department under the supervision of the attending radiologist. This will include occasional evening and weekend sessions (all supervised).             <ol style="list-style-type: none"> <li>a. Protocolling, reporting of studies, and prescribing contrast media as required.</li> <li>b. Assist in the management of patients.</li> <li>c. Assist attending radiologists in the running of the roster sessions.</li> <li>d. Take part in Multidisciplinary rounds.</li> </ol> </li> <li>3. Research and Academic Time:             <ol style="list-style-type: none"> <li>a. Clinical Fellows will be required to do at least 2 journal readings within the 6-month fellowship.</li> <li>b. Clinical Fellows will be given research time off (1 session per week) to conduct at least 1 research or audit project.</li> <li>c. Clinical Fellows are encouraged to present abstracts/ posters at local/ regional conferences and submit manuscripts for publications.</li> </ol> </li> </ol>

PROGRAMME IN SGH**

Components	Information															
<b>8. Training Method</b>	<p><b>Method of Supervision:</b> Direct observation and feedback. Clinical Fellow will only practice in Department of Diagnostic Radiology, SGH only and will be supervised by a SMC-approved supervisor from Department of Diagnostic Radiology, SGH only at all times.</p> <p><b>Hands-On Experience:</b> Clinical Fellows will assist in the following procedures under supervision:</p> <ol style="list-style-type: none"> <li>1. Protocols and reporting neuroradiology and head and neck CT, MR, and Ultrasound studies from a large tertiary centre, including outpatient, inpatient and urgent studies.</li> <li>2. Participating in multidisciplinary meetings with neurologists, neurosurgeons, eye specialists, head and neck surgeons and oncologists.</li> <li>3. Exposure to interventional head and neck procedures such as dacryocystography and thyroid biopsies</li> <li>4. Involvement in neuro interventional procedures is not included in this fellowship but the Clinical Fellow is allowed to attend the vascular meeting to increase understanding of the role of interventional neuroradiology.</li> <li>5. Giving journal club and clinical presentations.</li> <li>6. Involvement in a research project is feasible.</li> </ol> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr style="background-color: #cccccc;"> <th colspan="3">TRAINING ACTIVITIES &amp; METHODOLOGY</th> </tr> <tr style="background-color: #cccccc;"> <th style="width: 40%;">Name of activity</th> <th style="width: 30%;">Frequency / No. of sessions / Length of session</th> <th style="width: 30%;">Teaching methodology</th> </tr> </thead> <tbody> <tr> <td>Rostered Reporting sessions</td> <td>4hrs per session 9 session per week</td> <td>Direct supervision of all studies reported with Consultant sign off of reports.</td> </tr> <tr> <td>Participate in weekly Neuro Team education</td> <td>1 hr 3 sessions per month</td> <td>Case sharing, Journal reading, Didactic tutorials</td> </tr> <tr> <td>Attendance / presentations at Multidisciplinary meetings</td> <td>Several meetings per week</td> <td>Case based discussion with one or multiple clinical disciplines</td> </tr> </tbody> </table>	TRAINING ACTIVITIES & METHODOLOGY			Name of activity	Frequency / No. of sessions / Length of session	Teaching methodology	Rostered Reporting sessions	4hrs per session 9 session per week	Direct supervision of all studies reported with Consultant sign off of reports. 	<ul style="list-style-type: none"> <li>End-of-training feedback session with SGH-PGMI with indication of 70% of training objectives met indicated in the logbook, under the Summary of Training and Certification page</li> </ul>															
9.2 Evaluation Process 9.2.1 General overall grading system	<p>The general overall grading system evaluates the Clinical Fellow's performance upon completion of the fellowship programme. All Clinical Fellow will be given a general overall grading status at the end of the fellowship programme based on the grading criteria requirements incorporating the six competencies based knowledge, skills and performance that Clinical Fellow must demonstrate throughout the programme.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="background-color: #4F81BD; color: white;">Grading Status</th> <th style="background-color: #4F81BD; color: white;">Description</th> <th style="background-color: #4F81BD; color: white;">Grading Criteria Requirements</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;"><b>CMP</b></td> <td>Completes the programme</td> <td> <ul style="list-style-type: none"> <li>Satisfies all core competencies and attends at least 80% of training and education activities</li> </ul> </td> </tr> <tr> <td style="text-align: center;"><b>USP</b></td> <td>Unsatisfactory performance</td> <td> <ul style="list-style-type: none"> <li>Lacking in one or more core competencies and attends less than 50% of training and education activities</li> </ul> </td> </tr> <tr> <td style="text-align: center;"><b>DCP</b></td> <td>Did not complete the programme</td> <td> <ul style="list-style-type: none"> <li>Ends fellowship before 80% of the stipulated duration is completed</li> </ul> </td> </tr> <tr> <td style="text-align: center;"><b>WDN</b></td> <td>Withdrawn from the programme</td> <td> <ul style="list-style-type: none"> <li>Ends fellowship within 1 month of start</li> </ul> </td> </tr> </tbody> </table>	Grading Status	Description	Grading Criteria Requirements	<b>CMP</b>	Completes the programme	<ul style="list-style-type: none"> <li>Satisfies all core competencies and attends at least 80% of training and education activities</li> </ul>	<b>USP</b>	Unsatisfactory performance	<ul style="list-style-type: none"> <li>Lacking in one or more core competencies and attends less than 50% of training and education activities</li> </ul>	<b>DCP</b>	Did not complete the programme	<ul style="list-style-type: none"> <li>Ends fellowship before 80% of the stipulated duration is completed</li> </ul>	<b>WDN</b>	Withdrawn from the programme	<ul style="list-style-type: none"> <li>Ends fellowship within 1 month of start</li> </ul>
Grading Status	Description	Grading Criteria Requirements														
<b>CMP</b>	Completes the programme	<ul style="list-style-type: none"> <li>Satisfies all core competencies and attends at least 80% of training and education activities</li> </ul>														
<b>USP</b>	Unsatisfactory performance	<ul style="list-style-type: none"> <li>Lacking in one or more core competencies and attends less than 50% of training and education activities</li> </ul>														
<b>DCP</b>	Did not complete the programme	<ul style="list-style-type: none"> <li>Ends fellowship before 80% of the stipulated duration is completed</li> </ul>														
<b>WDN</b>	Withdrawn from the programme	<ul style="list-style-type: none"> <li>Ends fellowship within 1 month of start</li> </ul>														
9.3 Criteria for Early Termination	<p>The attachment programme will be terminated early on the ground of the Clinical Fellow's poor performance, misdemeanour, misconduct, negligence or breach of any terms stipulated or referred to in the Fellowship Letter of Offer and Institution Terms and Conditions.</p> <p>The Clinical Fellow may also request to terminate the attachment programme for reasons such as serious illness or other personal obligations. The institution will review all requests for early termination with the Clinical Fellow and the Supervisor / Head of Department.</p>															
<b>10. Course Administration</b>	<p>Type of Certification: Certificate of Training</p> <p>Training Fee: S\$3,210 per month</p> <p>Programme Funding source: Self-funded</p>															
<b>11. Number of Clinical Fellow to be accepted at any one time</b>	3
