Continuing Professional Development Lecture

Teaching Faculty
Assistant Professor Anil Bhave
Director, Wasserman Gait Laboratory
Division Head of Rehabilitation,
Rubin Institute of Advanced Orthopedics,
Sinai Hospital
Assistant Professor, University of Maryland

Dr Anil Bhave has been practicing Physical Therapy for the last 30 years and heads the Rehabilitation Department at the Orthopedic Institute. He is a consultant to the National Institute of Health / Aging (NIH/NIA) and a guest reviewer for Clinical Orthopedics and Related Research, and is an Adjunct Assistant Professor of Physical Therapy at University of Maryland. Dr Bhave evaluates and treats patients with stiffness and contractures hip, knee and ankle joints due to various pathologies including total joints, limb lengthening, and post traumatic causes. He has developed and patented dynamic casting and bracing techniques for treatment of stiffness and contractures.

Dr Bhave is an accomplished researcher and lecturer with accolades including significant works published in peer reviewed journals and has lectured extensively both nationally and internationally. He is a recipient of prestigious awards such as the Jacqueline Perry, MD award given by American Academy of Orthopedic Surgeons in 2000 and Lynn Staheli, MD award given by the Pediatric Orthopedic Society of North America in 2003.
