

Promoting postgraduate medical education and training with the aim of driving medical excellence is what we do. As PGMI celebrates our 21st Anniversary, we remember our SGH needy patients and seek your generous support for the SGH Needy Patients Fund which helps pay for assistive devices like wheelchairs, oxygen ventilators, supplemental feeds and medical expenses. These patients may need an extra hand with short-term subsistence support to buffer the reduction or loss of income due to onset of a chronic or terminal illness, or trauma, and those who may not be eligible for public welfare or Medifund assistance.

Celebrate the wonderful work that you are doing by supporting the SGH Needy Patients Fund. A little help from you goes a long way for them.....
