

6TH SGH CLINICAL PATHOLOGY FRONTIERS IN TECHNOLOGY WORKSHOP

Chemical Pathology: Building on Laboratory Quality Essentials I

**Quality Today,
Better Labs Tomorrow!**

28 Nov 2023

SGH Academia

- ✓ Essential quality tools
- ✓ Troubleshooting skills
- ✓ Immersive lab tour
- ✓ Interactive sessions
- ✓ Case studies

Registration:

\$200	Early Bird Registration (till 30 Sept 2023) SSP or Chapter of Pathologists Member
\$250	01 Oct to 31 Oct 2023

Limited Seats! Register NOW!

For program details and registration,
scan the QR code to find out more!

For enquiries, contact Ting Ting at 65767502
The event is pending 4 CME points approval.

Who should attend:

- Medical Laboratory Technologists/Scientist
- Chemical Pathologist in-training
- Medical Students
- Laboratory Managers
- Biomedical Science Educators/Students
- Anyone keen to gain insights into a Clinical Biochemistry lab

**QUALITY
BEGINS
HERE!**
