Duration	: 1 hour
Time	: 6.30 pm - 7.30 pm
Fee	: Complimentary
Platform	: Zoom Cloud Meetings <i>(Pre-recorded lecture with LIVE Q&A)</i>

Speaker

Adjunct Associate Prof Lim Si Ching
Senior Consultant
Department of Geriatric Medicine
Changi General Hospital

- Prof Lim graduated from University of Bristol in 1992. After her membership from the Royal College of Physician in 1996, she worked as a renal physician in Brunei until 2003 when she and her young family moved to Singapore to start a new career in Geriatric Medicine.
- Prof Lim joined SGH in 2006 to set up a new department of Geriatric Medicine, and worked with the Orthopaedic surgeons. She returned to CGH in 2013 and heads the Dementia ward in CGH. Her current interest is dementia, especially management of behavioural symptoms of dementia. Prof Lim is also the Geriatrician working with the department of General Surgery taking care of the older peri-operative surgical patients.
- Prof Lim has done a lot of work on promoting inpatient delirium diagnosis and management. She created the Purple tag care bundle, put in a security system to reduce cognitively impaired patients absconding from CGH. She has been involved in multidisciplinary approach to reduce in-hospital falls.
- Prof Lim is one of the co-leads of the dementia taskforce in CGH and holds the Director of Education in the SingHealth Duke-NUS Dementia and Cognitive Disorder Centre (SDDC).
