ALLIED HEALTH INSTITUTE

Introduction to Art Therapy: Art Therapy in Patient Care 21 June 2019

Introduction

This course is an introductory course to professionals on theory and practice of art therapy. It offers an opportunity to understand the development of the profession and how it is utilised in the clinical setting as well as for professional development. This is a highly practical/ hands-on course.

Course Objectives

As a result of this course, the participant will:

- Gain appreciation on art therapy and the various methods used in art therapy
- Gain appreciation on the benefits of art therapy in the clinical setting
- Understand the impact of various art materials on patients
- Learn different art therapy strategies that could enhance the therapeutic relationship between clinicians and patients or for your professional development.

Target Audience

Suitable for all healthcare professionals including Allied Health Professions, Doctors and Nurses. No previous experience of art making is required, but it is essential that participant be prepared to take part in art-making. This course does not lead to any qualification in art therapy.

Course Outline

The course comprises of theory and practical/hands-on components. The topics covered include:

- An overview of the different styles and schools of art therapy
- Understanding the uses of various art materials and their possible benefits.
- Art therapy evaluation tools and its usage in the clinical setting
- Group experiential
- Role play on how to engage a new client in art making

Teaching Faculty

Ms Dian Handayani
Art Therapist
Department of Psychology
Singapore General Hospital

Ms Dian Handayani is an Art Therapist at Singapore General Hospital since 2010. Her art psychotherapy career in the field of health care and mental health began at the SGH Eating Disorders unit where she now holds a Deputy Director position for the Eating Disorders Programme. She is a member of Australian, New Zealand and Asian Arts Therapy Association and an Advanced Solution-Focused Practitioner.

Dian's passion in mental health, trauma and sexual health had recently led her to complete an MSc in Medicine on HIV, STIs and Sexual Health (Counselling Stream) with Sydney University Australia.
