Teaching Faculty

Ms. Lim Hwee Er
Director and Occupational Therapist Consultant
Goshen Consultancy Services Pte Ltd

Strategic leader and founder of Goshen, Hwee Er is committed to transforming caregiving and support for older persons. She firmly believes that seniors deserve future-ready, person-directed service. Passionate about transforming care culture for older persons, Hwee Er founded Goshen Consultancy Services Pte Ltd which, through synergising both clinical and business expertise and partnering with non-profit organisations and government entities, aims to implement sustainable practices in eldercare services and beyond.

Having years of clinical experience working with older patients living with various geriatric/psychogeriatric conditions in acute and community settings, Hwee Er possesses extensive knowledge in planning and implementing specialised services, as well as developing innovations to address systemic and service delivery issues. She holds a Masters of Health Service Management (University of Sydney) and a Bachelor of Health Sciences (Hons) (OT) (University of Teesside, UK). Her specializations include Gerontological Occupational Therapy, Dementia Care and Interventions, Training and Facilitation, and Consultancy and Coaching.
